

THE WHITE HOUSE
WASHINGTON

August 10, 1972

Dear Mr. Rockefeller:

The President has asked me to thank you for your recent letter in which you extend an invitation, on behalf of the Trustees of the Council of the Americas for him to address the Council's annual membership meeting on December 6, or at another date convenient to him.

The President was so pleased to be asked to address the members of this outstanding organization and would like to have the opportunity to do so, if circumstances permitted. Regrettably, however, his schedule is such that it will not be possible for him to add this engagement to his calendar.

With the President's warm best wishes,

Sincerely,

David N. Parker
Staff Assistant
to the President
